PATHWAY NOTE: This is a recommended Major Pathway; individual pathways may vary. Advisor consultation is a vital part of timely graduation.

Students placing out of the foreign language requirement should take an elective, second major course, or minor course.

Fully online courses may be required to complete the program.

An elective may replace the core requirement if the core is met by the major

Students must fulfill all Hiram College graduation requirements. The minimum total semester credit hours for graduation is 120.

Students who enter with transfer or other credit hours should have those credits evaluated by the registrar towards fulfillment of listed requirements. (See Hiram College Transfer Policy)

To complete in three years, students must adhere to the degree path described in this pathway. While variation may occur due to transfer credit, should a student fail to register for or complete required courses or required summer credit hours, the student may still continue at Hiram College, but forfeits a guarantee of course offerings and summer tuition reduction.

Having begun a 3-year pathway, a student who chooses to change the incoming major may still continue at Hiram College, but forfeits a guarantee of course offerings and summer tuition reduction.
