**NOTE: For Middle Childhood Licensure, the major is Integrated Middle Childhood. Majors pick two content areas from Language Arts, Mathematics, Science and Social Studies. Due to the individual paths possible, this pathway only lists the Professional Education Core. Please refer to the Middle Childhood advising sheet and meet with an Education advisor for a detailed plan.**

**Note 1: Transition Points must be met in order to be admitted to Methods in Year 3 or 4.**

**Licensure exams:** See Middle Childhood Major sheet for required licensure exams. These exams are required for the license, but *NOT* for the major. As of March 2015, these Pearson Tests include: *Assessment of Professional Knowledge: (4-9)—Test #002 AND both content areas chosen.*

**Foreign language requirement:** For students pursuing Middle Childhood (Grades 4-9) licensure, the foreign language requirement is waived. If the student changes majors and drops licensure, the requirement is reinstated for that student.

**PATHWAY NOTE:** This is a recommended Major Pathway; individual pathways may vary. Advisor consultation is a vital part of timely graduation.
